

Don't doubt yourself, even when your devil voice inside you starts to tell you, "I've got the wrong shoes on and I shouldn't even be here."
Kate Winslet

Me? I do my best. I keep on trying, anyway.
Renee Zellweger

Life ain't worth a damn until you can say I am what I am.
Shirley Bassey

Why be ashamed about being you? Having a few flaws to balance your strengths makes you human.
Alan Cumming

The strongest ones don't raise their voices very much.
Meryl Streep

Radiate confidence and shine in virtually any situation

SECRETS Of STAR QUALITY

totally beautiful

Glamour is internal, the rest is window dressing.
Jamie Lee Curtis

I have spent many years and expended far too much energy on apologising. I am who I am and there is nothing I can do about that.
Emma Thompson

The ultimate goal is not to let other people's opinion of you become your opinion of yourself. Imagine trying to adapt to every person's ideas. You would be a nobody. You'd have no perspective of your worth.
Sarah Jessica Parker

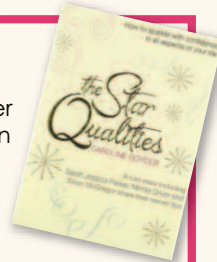

We cast a spell of allure by learning who we are, and expressing ourselves... To me that's bewitchingly attractive, that's glamorous. That's finding your own magic.
Salma Hayek

Pessimism is a poison and optimism is a magnet, and if you can deal with that you manage.
Anna Massey

It's very important to keep what confidence you have, no matter how dire the circumstance. You have to learn to shelter and protect it from the onslaught.
Bette Davis

Fight for your idiosyncrasies. Don't part too willingly with the very things that you need.
Rufus Sewell
